OBJECTIVE:

A mutual relationship always exists between an employer and an employee. While employees contribute to your success, they and their families are dependent on you for their future. When your employees suffer misfortune in the form of any accident or illness, it can disrupt the routine and also cause a serious dent, emotionally and financially.

As life follows no fixed patterns, taking care of your employees' financial security is your moral responsibility. State Life Insurance Corporation, "AAA" rated company introduces, Sehat Salamat Plan which offers financial support to your employees and their families during such times.

Sehat Salamat Plan

Sehat Salamat Plan is a collective health insurance policy offered to a group of individuals. This plan allows companies, organizations, banks, and even housing societies to procure health insurance for their entire staff or members. The employer pays the premium of this policy, while all employees and their families can avail the benefits. A Sehat Salamat Plan is beneficial for both the employers as well as the employees. While employees get health coverage benefits, employers get the increased chances of an employee staying in the company. In addition, the employer also gets tax benefits for providing such policies to its employees.

Why Health Insurance

Accidents and illness are beyond one's control and can affect anyone unexpectedly. The cost of quality health-care is rising every day and it can weaken the concerned person physically, emotionally and financially. Hence, it is best to insulate such a situation of your employees with suitable insurance cover to tide over this difficult period.

State Life offers an annual Group Health Insurance to cover your employees and their family members against hospitalization expenses following illness, disease or accident. In the event of hospitalization, we provide cashless facility.
